POSTAL ENTRIES NOW CLOSED

Postal applications are no longer being accepted for the Vitruvian Triathlon 2010

With the online entry system going live shortly we will only process postal applications received prior to 28th January 2010. This is being implemented to ensure those athletes who have been waiting for the online system to go live are given a fair opportunity to enter the Vitruvian 2010 via the online system.

ON LINE ENTRIES GOING LIVE

For updates on the timings of the online payment system going live please ensure you have registered on the website for the newsletter and/or are following Pace Setter Events on Twitter where you will be advised the moment the online payment system goes live . www.pacesetterevents.com
